## **Eugene Police release composite sketch attempted sexual assault suspect**

Investigators have worked with the 11-year-old victim of an attempted sexual assault to prepare a sketch of the attacker and are seeking the public's help in identifying the suspect.

On October 3, shortly before 10:00 a.m. the male juvenile and two friends were at a local park near Wilson Court and West 14<sup>th</sup> Avenue when they were approached by a white male described as in his 30s, approximately 5'8" tall, weighing between 130-150 lbs. The suspect had a slight build, short light colored hair and a goatee. The suspect lured the boys onto the play structure. When the victim was in the covered slide; the suspect (also in the slide) grabbed the victim, pulled the victim's pants down and attempted to remove his own pants.

The two additional juveniles recognized that a crime was occurring and jumped off the play structure to get help. Their actions caused the suspect to release the victim and exit the slide. The suspect left the slide in a northeasterly direction on foot. He was last seen wearing a medium to light blue t-shirt, blue jacket with yellow circles on it and grey sweat pants.

Anyone with information regarding this case or who can identify the suspect in the composite sketch is asked to contact Det. Ben Hall at 541.682.5835.
